## New Company Opens in York Springs

With the demise of Adams Transit Company, Inc. of East Berlin, PA, Wolf's Bus Lines located in York Springs, PA has received regulatory authority to operate charter bus service in Adams County. Wolf's has added 3 almost new Flxible coaches and a Ford school bus bringing their total fleet to 10 vehicles. Groups in the Adams County area will now be able to travel in style with Wolf's Bus Lines.

Paul and Vada Wolf, owners of Wolf's Bus Lines, have been transporting workers to the C.H. Musselman and Company plants in Biglerville and Gardners. This newly acquired authority gives Wolf's the ability to expand its motorcoach business throughout Adams County.

Paul and Vada currently operate school buses for student transportation for the schools in York Springs. Paul's Garage, another business they operate in York Springs, offers a full service garage and gasoline station, as well as home heating oil delivery. And don't forget, if you are in need of a new vehicle, there is a Por Dealership at their Paul's Garage ope York Springs.

We want to conor wish them
