POLICIES

RESPONSIBILITY

Wolf's Tours cannot assume liability as agents for hotels and other accommodations and cannot be held responsible for lack of performance by proprietors or their staff. All operations and their respective tariffs will be within the operating authority assigned by the "Department of Transportation" and the "Pennsylvania Public Utility Commission." Wolf's Tours reserves the right to decline acceptance of any person on their tours, and also to make changes in itineraries and prices. Wolf's Bus Lines will make every reasonable effort to accommodate all persons with special needs including the use of service animals. A fourteen (14) day notice before departure would be appreciated; however, a minimum 48 hour notice is required.

PICK-UP POINTS

Please be at your pick-up point 15 minutes prior to departure. Not all pick-ups are available on all trips. NOTE: Parking in any lot with public access is done so at your own risk. Wolf's Bus Lines and the owners of the parking facilities cannot assume responsibility for theft, damage, vandalism, etc. that might occur to vehicles while parked in their lot. On select multi-day Wolf's Tours, a shuttle may be offered to transport passengers from certain departure locations in order to service a larger region of interested passengers. Shuttles will be determined closer to the date of the tour and will be based on the number of passengers departing from each location and the direction that we are traveling.

PRICE INFORMATION

In the event of increased diesel fuel costs, Wolf's reserves the right to impose a fuel surcharge on our tours to cover these increased costs.

DEPOSITS and FINAL PAYMENTS

We accept cash, check, money order and credit card (Visa, Mastercard, Discover or American Express) for payment. There is a service charge for all returned checks.

ONE-DAY TOURS: Requires a \$20.00 per person deposit within 14 days of making the reservation, and the balance of the trip must be paid in full at least 45 days prior to the departure date. One-day tours involving a special ticket (Broadway Shows, Concerts, Flying, etc.) are to be paid in full 65 days prior to the date of departure, and are non-refundable and non-transferable at that time.

MULTI-DAY TOURS: Requires a \$50.00 per person deposit within 14 days of making the reservation, and the balance of the trip needs to be paid in full at least 45 days prior to the departure date. *Some exceptions apply.*

TRIP PROTECTION

To help you handle unforeseen travel headaches, Wolf's Bus Lines offers trip protection through Allianz Global Assistance and on some trips our own Pack Plan, for an additional fee. We highly recommend trip protection, however, it is not required.

SCHEDULE CHANGES ON TOURS

Itinerary changes may occur that are beyond the control of Wolf's Bus Lines. Reasons may include, but are not limited to: failure on the part of outside agencies to deliver accommodations, admission tickets, and/or unusual circumstances. Itineraries may be changed to benefit the quality of the tour at the discretion of Wolf's Bus Lines. Passengers will only be notified if there is an extreme change in the itinerary. Cancellation policy will not be affected by changes in the itinerary.

TRAVEL PACKETS

Wolf's will be sending out final travel packets three weeks prior to each tour date. In this packet, you will receive your final tour itinerary, tip envelopes, luggage tags, etc.

CANCELLATIONS

Refunds will be given if cancellations are made at least 45 days prior (some exceptions apply) to the departure date on most Wolf's Tours. Wolf's will be enforcing this cancellation policy, due to the strict policies set forth by the attractions, restaurants and hotels.

SEATING

Wolf's Bus Lines has assigned seating on all of its One-day and Multi-day Wolf Tours. Seating assignments are computer generated and based on the date that a passenger(s) initially books their reservation. Seating assignments are finalized the night before a trip's departure and passengers are given their seat number only when checking in on the day of their tour. In the event that you are an individual passenger or have an odd number in your group, it is likely that you will have someone seated next to you. If you are a single passenger and/or prefer to have the seat next to you remain unoccupied, you may purchase that seat at an additional cost. These additional seats are very limited, please contact our office at 1-800-692-7804 for additional information and seat cost. The motorcoach provides close quarters for long periods of time, so please refrain from wearing strong perfume or cologne, as some passengers may have allergies or can develop headaches from perfumes or colognes.

SINGLE SEATS

If you are a single passenger, or would like an extra seat for additional room, you may purchase an additional seat at an added fee. However, there will only be 4 extra seats allowed per tour.

SMOKING and ALCOHOL ON BUS

No smoking or vaping and no alcoholic beverages allowed on the motorcoach.

PROOF OF CITIZENSHIP

Beginning May 2025, Pennsylvanians will need a REAL-ID-compliant driver's license, photo ID card, or another form of federally-acceptable identification (such as a valid passport or military ID) to enter a federal building or military installation that may be included in a Wolf Tour. Please make sure that you and everyone in your group have/has valid ID with you/them as Wolf's Bus Lines is not responsible if you/they do not have the proper identification, and no money will be refunded if you are unable to enter a building or facility while on a scheduled Wolf Tour. This will also apply on all trips with airfare included in a Wolf Tour package.

GRATUITIES

The question often comes up about tipping for the drivers and escorts. The final success of any tour depends on the performance of the driver and escort. As a standard in the industry, it is recommended that gratuity be \$3-\$5 per person per day. These individuals look after your safety, comfort and enjoyment for often 10-12 hours per day. Of course, it goes without saying the amount of gratuity always reflects the kind of job performance.

LUGGAGE

Passengers are permitted one suitcase per person. Also, a small carry-on piece will be permitted, however, passengers are responsible for such items. Trips with airfare do not apply.
